Returning Swimmer Registration Information – A returning swimmer is someone who swam with RMSC-GISC during the RMSC 2022 - 2023 Season and has met the group requirements. Returning swimmers must register for the RMSC 2023 – 2024 Season by the deadline below to be guaranteed a spot on the team.

Returning swimmer registration opens July 3. *Swimmers must register based on their age as December 1, 2023.*

There are two ways to register:

1. Online at www.ActiveMontgomery.org.
 - a. Families MUST use the same account used for the RMSC 2022 – 2023 program registration. This is the only way to meet the course pre-requisite for online registration. If a new account is created the course pre-requisite will not be met and online registration will not be possible.
 - b. For swimmers being invited to a “Coaches Invite Group” for the first time, you will not be able to register online. You will need to come in person and register. (Example: Minis/Juniors to Adv Juniors; Seniors to Advanced Seniors)
 - c. For current Officials, please contact Christa Krukiel by email as you will need to register in-person.
2. In person at the Germantown Indoor Swim Center during pre-determined in-person/walk-in registration windows, **TBA**. Please do not attempt to register outside these registration windows as the cashiers will not be able to assist you.

Returning swimmer registration ends on July 14, 2023 to secure your spot.

After this date, swimmers will forfeit their spot on the team.

- Do not change your practice group assignment unless instructed to do so by your coach, or you have aged out of your previous group assignment.
- The fee includes local PVS meet entry fees as well as an Arena team suit, two latex swim caps, and two team t-shirts.
- **The final day to request a pro-rated program withdrawal is 2/28/2024. After this date no refunds will be given.**

USA Swimmer Registration Fee (USA)

- Starting August 1, 2022 USAS required swimmers to register directly with USAS.
- Families will pay the USAS registration fee directly to USAS (\$98). The same account created for the 2022-2023 season must be used. Do not create new accounts.
- In the late fall (after the start of the season) a unique RMSC registration link will be provided to each family. This procedure is different than for the NEW swimmers (including siblings) who will join the program.
- Failure to properly register with USAS will result in swimmers being ineligible to practice and participate in meets. A program withdraw will be processed after one reminder to comply.
